THE NORTHERN HIGH SCHOOL

Above is pictured the proposed Northern High School. Work is well under way and the building will be completed for use this coming fall. This will be a marvelous asset to Dillsburg and the surrounding communities.

The Senior Class of "52" extends its best wishes to the school board, the faculty, and the students who, we feel sure, will make this school a great success.

Our Principal's Message

Members of the Class of 1952:

The destiny of a nation is determined by the character of the education of its citizens. The success of a democracy depends not only upon the general intelligence, the knowledge, and the skills possessed by its citizens, but also upon their attitudes, and the ideals for which they stand. The high ideals which animated the founders of this Republic have been analyzed and interpreted to you, in the light of the modern social, economic, political and spiritual world.

The framers of the Declaration of Independence held that all men "Are endowed with certain inalienable rights; that among these are life, liberty and the pursuit of happiness." You, the product of public education, should know that these rights can only be secured to individuals and safeguarded to the nation, through education. Your education should not only help you to make a living but help you to enjoy life and "to hold high at all times and ages the quality of human living."

Happiness is essential. To be happy and to make others happy are worthy aims. The satisfactions sought should be durable and worthwhile. There is no permanent happiness in selfishness. True happiness comes through self control and service to others.

The right to life, liberty, and happiness means opportunity, nothing more. Richness of life, enlightened liberty, lasting happiness, comes to the individual through effort and sacrifice. Each succeeding generation must re-enact the struggle for life; rededicate itself to the principle of liberty and find happiness in the consciousness of worth living.

Class History

AS We, the class of 1952, look back over the past four years together, we find it hard to leave dear old DHS, but as NJHS it will still, remain the same to us. It wasn't always an easy way through the past four years but we made the best of it and liked every minute of it. Let's forget the present for a while and look into the PAST.

As Freshmen, we entered school in September of 1948. We were bewildered and very confused, but we became well organized under the guidance of Mr. Musser and Mr. Habig. To guide us through the year we choose: Lou Wierman, class president; Martha Paxton, Vice-president; Carolyn Spangler, Secretary; Dolores Cook, treasurer; and Helen Heinrich, Historian. In October we participated in Farmers' Day, carrying away fourth prize with our Babe Ruth float. It was hard work, but good experience and fun for all. To add some funds to our treasury, we sponsored a hayride (but with some mishap, the wheel came off the wagon) and a skating party. Upon completion of our first successful year we celebrated with a picnic at Hershey, feeling certain our Sophomore year would be bigger and better than ever.

The next September found us once more back under the fine leadership of our class pres-

ident, Kenneth McCurdy; Ann Seibert, vice-president; Carolyn Spangler, secretary; Lou Wierman, class treasurer; Helen Heinrich, Historian; and our new class advisors, Misses Stauffer and Statler. We again took part in Farmers' Day making a nice profit. This year our Dillsburg High School Band made its first public appearance. Once again our Sophomore year we sponsored a hayride but with no better luck. We were unfortunate enough to have a flat tire. In January we held a skating party at "Haar's Palace", which was a great success. The last of March all the Sophomores could be seen flashing something bright and shiny around on their fingers. Could it have been their class rings? To end a perfect year we held a Sophomore Hop at Williams Grove and spent the last day at Hershey. During the whole summer we sold drinks at the town baseball games to get funds for our long awaited SENIOR TRIP.

In September of 1950, we returned as Juniors feeling older and wiser than ever; Richard Gochenour became our class president this year; Mae Hoffman, vice-president; Joyce Hopple, secretary; Lou Wierman, class treasurer; Ann Seibert, Historian; and our faculty advisor Mrs. Habig. Farmers' Day proved to be a great success this year, as we won first prize in the parade with our decorated car. We entered our car in three other parades, winning first twice and second once. Late in December flashes of

green could be seen every where. Of course it was our class jackets. Soft lights and sweet music were the setting for one of the big moments in our life at the Junior-Senior Prom at the Allenberrrt. At the end of this eventful year we went to Hershey for a wonderful picnic. During the summer we sold soft drinks at the town baseball games.

Back again in the fall as Seniors, we were once again caught in a gay social whirl. Our class officers became Kenneth McCurdy, president; Mearl Orner, vice-president; Joyce Hopple, secretary; Lou Wierman, class treasurer; Ann Seibert, Historian and Mr. Kaup now became our class advisor. We held the first Skating party of the season at Harr's. In October we

had our Senior Pictures taken and ordered our name cards. Now, in November, we are, beginning work on our own yearbook, which we hope, is bigger and better than ever. We are looking forward to our Senior Class Play, the Junior-Senior Prom, and our Senior Trip. We are all anticipating graduation with a mixture of joy and sadness.

As we the graduating class, are preparing to leave our school, we find it proper to thank all who have helped us through our four years. We regret leaving dear Old Dillsburg High School, but it will always hold a place in our hearts. We sincerely hope that all the classes in the future have as happy and successful a high school career as we have had.

Class Will

We, the members of the graduating class of one-thousand-nine-hundred and fifty two, of the Northern High School, Dillsburg, Pennsylvania, being of sound mind and body, and having full possession of our faculties, realizing we shall soon be leaving our beloved Alma Mater, do hereby will and bequeath all our worldly possessions to wit:

To the incoming Freshmen Class we leave our Christmas decorations and our Farmers' Day Stand. We hope they will enjoy their high school life as much as we did.

To the class of '55 we leave our high hopes for their happy future, and we wish them every success for their remaining years in NHS.

To the class of '54 we leave our past relationship with Mrs. Habig and a hope that they will benefit from being in her home room as much as we did.

To the class of '53 we give our home room and advisor, and the privileges that go with being a member of the senior class. We give them, we hope the distinction of being the first class to graduate from the new school.

To the faculty we leave a larger student body than ever. Many school activities would not have been possible without your support and leadership.

To Mr. Kaup, we leave the task of uniting another senior class, and a debt of gratitude for uniting us.

Class Prophecy

Dear Diary:

2:30 June 2, 1962

Tonight, ten years to the day after our graduation from Northern High School, the class, for the first time as a whole, was reunited. We met again tonight at the new Allenberry Ballroom. The room is new, but the surroundings are the same; the faces, personalities and good fellowship haven't changed much.

I walked around the banquet tables tonight greeting my old classmates. Did I say old? No, not old, just grown up. I couldn't help but think how much they had changed from the "gang at Wolfs", and the League Soccer Champs. No longer kids; men and women with families, responsibilities and positions in the world.

The orchestra was seated in a shell made of green ivy on white lattice making a giant 52. Each table setting had a white rose on a green fern (our class flower) with our own name card on it.

We were scheduled to eat at eight o'clock, but you know how these things are. By eight-thirty we were ready to eat. Even then there was a flurry at the door with someone coming in late. Who was it? You guessed it. ILA MAYE NELSON late as usual. I hear she's a buyer for Bowman's now and married to a marine lieutenant. DORRIS ANDERSON has a beauty shop in Washington D.C. and is the hair stylist for the President's wife and daughter. KEN BAKER owns a trucking fleet operating out of York and travels over Penna., Maryland and N. J. RUTH BEAMER is secretary to the Attorney General of the United States. EUGENE BUSHEY developed a new strain of chicken, called Bushey's Hybrids and is doing a large business on his farm in Barrens Valley. TOM CARR owns a large used car lot in Harrisburg. The name? Carr's cars. DALE COOK is a steam shovel operator for the Capitol Engineering Co. DOLORES COOK studied nursing at Johns Hopkins in Baltimore and is now the school nurse. MILDRED COULSON is secretary for the First National Bank in Harrisburg. ROBERT DILLER and RAY KNAUB came from Alaska for the Reunion. They went there to make their fortune and did. It seems Bob slipped on a stone one day and broke his leg but uncovered a great gold vein. RUTH FICKES is secretary to the Governor of Penna. and plays her Saxophone in the Phila. Symphony Orchestra. DOUGLAS FISHEL is a jet pilot for the United States Air Force. JEAN FOLLEY is employed as a housewife in Dillsburg raising

a little girl. FREDa GARRETSON is keeping her self trim by dashing in and out of her husbands gas station selling gasoline to customers. RICHARD GOCHENOUR has decided to make a career out of the army and is now a Master Sergeant. VERNON GRIMM is a test pilot for new jet planes. MAE HOFFMAN is the proprietor of her little dress shop and is well on the way to having her baseball team with 5 boys. MILDRED HOFFMAN is head librarian in a New York Library. KENNETH HOLLANDSWORTH studied Business Administration at F. and M. and is now manager of the Hotel Harrisburger. JOYCE HOPPLE after being a private secretary to the Secretary of State has settled down to family life. MARGARET JONES is the sixth grade teacher of Dillsburg Public School. JAY KNISELY owns the Rossville Grocery Store and Locker Plant and is still a confirmed bachelor. BILL LAIRD is a television camera man at WGAL-TV. KENNETH McCURDY is singing with Fred Waring's Pennsylvanians. SHIRLEY MILLER is a dietitian at the Harrisburg Polyclinic Hospital. MARGARET MYERS is working at the Bell Telephone and is undecided about the two Kens. MARY NELSON studied music at St. Olaf Conservatory of Music and sings with Phil Spitalny's Orchestra. MEARL ORNER went to Penn State and is now teaching Vocational Agriculture in Northern High School. RAY ORNER believe it or not is married and living on a farm in Barrens Valley. MARTHA PAXTON is married and works in Bowmans. ROBERT PROSSER is catching for the Philadelphia Phillies. GARY RODGERS is now a radio, television technician. RAYMOND RODGERS is running the garage in Wellsville. ANN SEIBERT studied at Drexel Institute of Technology and is now an interior decorator for a large firm in New York. ROBERT SLOTHOWER and DAVID MELL are carpenters and their little business is doing quite well. JANE SHEAFFER is happily married and is living in Uniontown. BEVERLY SMITH lives on a farm with her husband and twins. CAROLYN SPANGLER is married now and teaching Vocational Home Economics in Northern High School. JOE STAUB is a racing car driver and has four men driving for him. DORIS STONE studied nursing but later decided she'd rather be married. LOU WEIRMAN has completed her training at the Harrisburg Hospital and is now working at the Jefferson Hospital in Philadelphia. JOHN WONDERS we are sorry to say cannot be with us because he is serving with the U. S. Air Force in Germany.

Class Poem

Our school days now are past and gone
And yet we fondly linger on,
For sweet each joy that we have shared,
"Tis sad to part from friends who've cared.

Worlds before us brightly lie
Yet here fond memories ne'er pass by.
With saddened hearts and dewy eyes
We bid to all our sweet good-byes.

Long will our hearts recall each joy
That time can never more destroy;
Forever in our hearts remain
All the friendships we have gained.

Of other scenes and other cares
Each heart its tender memories shares.
Our lips must soon their story tell.
Classmates and comrades, now fare-well.

Mixed Chorus

The Girls Glee Club, consisting of 56 members, sang at the Musicale at the Wellsville Community Hall and at several churches in the community during our school year.

The Mixed Chorus, consisting of 54 members, has been inactive as far as outside work but expects to take part in the Spring Concert.

The combined choruses went Christmas caroling in the surrounding communities and a wonderful time was had by all.

We take this opportunity to express our thanks and gratitude to Miss Statler for her excellent work in conducting the choruses and in her four years of working with the Class of 1952.

A black and white photograph of a rocky shoreline. In the foreground, there is a large, smooth, light-colored rock. Behind it, several pieces of driftwood are scattered across a rocky, uneven ground. The background is filled with dense, dark foliage and trees. The word "Sports" is written in a large, elegant, cursive script across the lower portion of the image, partially overlapping the rock and the ground.

SCHOOL DAYS . . .

They cement many lasting friendships. Soon you and your classmates will take different roads, and it may be years before some of you will meet again. School days do not last forever--and when they are past, memories are kept warm by the photographs of friends of the classroom and campus.

Your chums should have a 'personality portrait' of you, and so you will prize one of theirs in return. In a year or so you will be glad you took this means of keeping alive the memories of your school days.

And the home folks will always cherish a portrait of the 'turning point' in your life.

This studio is the headquarters for the special photographic work and the doors are open to students of the Dillsburg High School and their friends.

Why not arrange to come to the studio now and have that photograph taken?
